Dr. Elise Vincelette

## Directions:

We are conveniently located under the condominium building just south of Lawrence on the west side of Yonge Street. Our office entrance is at street level - you can't miss us!

## Parking:

We have free, underground parking for our patients! Pull into the driveway on the south side of our building & turn right into the turning circle, then, come to our front desk to collect a garage remote.

**Please schedule your complimentary consultation here or contact our office!**
